Reason there are fewer than three comparable properties

X	**I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The property is a unique top-floor, one-bedroom apartment with extensive views overlooking the city. Due to its distinct characteristics and position within the building, there are no directly comparable properties within the building or the surrounding suburbs, making it not possible to identify suitable comparable sales for assessment purposes.
